## CHOOSE BOLDLY.

BLACK SAGE VINEYARD™ WINES REPRESENT THE BEST OF THE OKANAGAN VALLEY, AND DEMONSTRATE WHAT HAPPENS WHEN THE RIGHT VINES ARE PLANTED IN THE RIGHT LOCATION. AN EXCELLENT ACCOMPANIMENT TO BBQ, HEARTY STEWS, WILD MEATS AND SAVORY SAUCES.

### HARVEST REPORT

The 2010 Harvest was one of the latest on record. A significantly warmer September made up for a slightly delayed, wet spring. The warmer temperatures at the end of the season allowed for even ripening of the grapes, and while 2010 may have produced less overall, the wines are outstanding.

### WINEMAKING

All Black Sage Vineyard™ wines are fermented in small lots, allowing for careful monitoring and direction. A combination of punch-down and pump-over fermenting extracts firm tannins from the grapes without aggressive harshness. The process is also temperature controlled to achieve a balance between colour, tannin extraction and fruit flavours.

### TASTING NOTES

The 2010 Black Sage Vineyard™ Cabernet Franc is produced from tenacious vines that for over 20 years have thrived in the rugged South Okanagan desert. Aged in French and American oak for more than 12 months, this wine offers ripe cherry and blackberry flavours mingled with earthy notes, a hint of bell pepper and spice. Our 2010 Cabernet Franc epitomises the bold, juicy reds that are perfectly suited to the Black Sage terroir.
